**Date** : 7 November 2025  
**Subject** : **New BOC QR Payment Options Available for Non-local Students' Fee Payments**

---

Dear Non-local Students,

We are pleased to announce the launch of BOC QR payment options for settling tuition and hall fees with effect from **10 November 2025**. Please note that this QR payment option is **only available to non-local students**.

**Scope and Payment Methods:**

Non-local students can now pay tuition and hall fees via BOC QR payment options through the BUniPort and using e-wallets of: (i) Alipay, (ii) WeChat Pay, (iii) UnionPay QR; or (iv) BoC Pay.

**Benefits of BOC QR Payment Options:**

- **Convenience:** Make fast, secure payments with smartphone and digital wallets.
- **Security:** Reduces cash handling risks and payment errors.
- **Efficiency:** Streamlines payment processing with instant confirmation.

**How to Use BOC QR Payment Options:**

- Log in to your BUniPort and select one of your outstanding debit notes for fee settlement.
- Follow the “*Step-by-step Payer Guides*” (click [here](#)). Scan the unique QR code displayed on the payment portal with your e-wallet app to complete the payment. A BOC QR confirmation receipt will be generated instantly, please save or screenshot it for future reference.
- Your BUniPort Student Account will then be updated with the payment received after two business days.

*(Please do not contact the Finance Office for payment confirmation within the first two business days, as your BUniPort Account will be updated after this period.)*

**Other Information and Support:**

- In addition to BOC QR payment options, alternative payment methods, such as FlyWire, TT Payment and etc are also available. For more details, please refer to “*Payment Methods*” (click [here](#)).
- For further guidance on fee settlement, please refer to our “*Frequency Asked Questions*” (click [here](#)).

Thank you for your cooperation and support.
